LYNDA AND JOOLS TOPP  
CONFERRED 20 OCTOBER

Lynda and Jools Topp are New Zealand's favourite and famous performing twins. They have been entertaining New Zealanders and international audiences with song and social comment for 30 years with live shows, albums, television and film.

Their array of characters, from Camp Mother and Camp Leader to Ken and Ken have become household names. The twins' work reflects the social changes that have taken place in New Zealand during the last three decades as through their humour and song they've addressed many issues, including feminism, human rights, Māori Land Rights, homosexual law reform and nuclear-free New Zealand. Their unique form of performing art has captured and held on to fans who range from the most conservative to the extremely liberal.

# A Brief History of the University

The University of Waikato had its genesis in 1956, when a small group of visionary individuals began working towards founding a university for the people of the South Auckland region.

A college, a sub-branch of Auckland University, was established in 1959 and in 1965, after opening its doors in 1964, the University of Waikato was officially opened by the then Governor-General, Sir Bernard Fergusson (later Lord Ballantrae).

From modest beginnings, on what was largely farmland and with a handful of temporary buildings and few staff, the University of Waikato now has a student population of 12,000, with more than 3,800 graduating each year. Today, the University employs about 2,000 academic and support staff, making a significant contribution to the local economy.

The University has built research quality to be ranked No.3 in New Zealand and has forged strong international links; 175 agreements have been signed with universities around the world.

## THE CAMPUS

Our Hamilton campus, with grounds covering 63 hectares, continues to be a source of community pride. The grounds include sports fields, walkways, three lakes and extensive gardens. Maintenance of the beautiful grounds is a priority, along with developing the buildings to accommodate the University's growing needs.

The Hamilton campus is also home to the Gallagher Academy of Performing Arts, a high-technology facility for the performance of drama, music, dance, and Māori kapa haka and other cultural performing arts. It is also a vital teaching facility for the University and a world-class performance venue, welcomed by Hamilton and the wider Waikato community who share it.

The University of Waikato has a campus at Tauranga and a strong relationship with the Bay of Plenty Polytechnic. Collaborative arrangements include the sharing of resources and services and joint provision of professional development and training opportunities for staff.

## Our Vision

*The overarching themes of our Vision are Excellence, Distinctiveness and International Connectedness; these drive the University of Waikato.*

We see our distinctiveness in terms of three interdependent components; Sustainability, Māori and Leadership. Our real distinctiveness comes in their synergy in the context of our identity. We are a New Zealand university, aware of our relevance and responsibilities to the region, and compete on an international stage.

# Our Commitment

The University of Waikato is committed to delivering a world-class education and research portfolio, providing a full and dynamic university experience which is distinctive in character, and pursuing strong international links to advance knowledge.

Through sustained research and the attraction of high levels of external funding from public sector and industry sources, we aim to maintain a highly competitive research profile. Our staff participate in a wide range of research consortia, clusters, and multi-institutional research teams locally, regionally, nationally and internationally. We are well-placed to contribute to the local and national economies by enhancing business capability in the region and increasing opportunities for the commercialisation of intellectual property.

We play an essential leadership role in the prosperity of the Waikato, defined also in terms of the tribal boundaries of the 16 iwi affiliated to Te Rōpu Manukura. We sit at the heart of a community of strong regional partnerships and take pride in serving the strengths and interests of our region.

We are committed to increasing the tertiary participation rate of our regional population overall as well as the proportions of new school-leavers and postgraduate students. We are also committed to ensuring the ongoing relevance of the programmes we offer and the effectiveness of our delivery of them.

We foster a culture of internationalisation, measured through the diversity of our student and staff profiles, a long-standing pride in our reputation for the pastoral care of our international students, and the measures we take through curriculum, programme design and our global networks and connections to international influences.

From inception we have been at the forefront of initiatives that support Māori aspirations. Sir Bernard Fergusson placed Waikato as "the first of the New Zealand universities to be planted right in the heart of traditionally Māori country". Since our foundation, we have worked closely with local iwi, particularly Tainui, to make the University accessible to Māori students and to foster an environment of success. Today we are proud to have the highest proportion of Māori students of any New Zealand university.

We are also proud of our evolution into a truly New Zealand institution supporting our country's nation-building policies and reflecting our nation's identity.

## Strength in Numbers

*The University of Waikato showed its strength by being ranked number 1 in the following subjects in the Tertiary Education Commission's most recent Performance-Based Research Fund.*

- Accounting and Finance
- Chemistry
- Communications, Journalism and Media Studies
- Computer Science, Information Technology, Information Sciences
- Ecology, Evolution and Behaviour
- Molecular, Cellular and Whole Organism Biology
- Music, Literary Arts and Other Arts
- Pure and Applied Mathematics

We are also ranked #1 in Education when University and College of Education scores are combined.

Waikato showed impressive numbers in its quality score for research over a wide range of subjects. We strengthened research performance in more than 85% of our subjects.

The numbers reflect the quality of our academic staff and firmly establish Waikato as a top research-led university. The numbers also show that students at Waikato are taught by staff at the leading edge of their disciplines.

# Ceremonial Traditions

*Elements of university graduation ceremonies have evolved from the 12th century when the first universities emerged in Europe.*

The organisation of medieval universities was modelled on the established institutions of the day – the church, the monastery and the guild.

Latin was the language used by medieval scholars, and it is from Latin that the words 'university' and 'degree' are derived. The Latin term *universitas* means a guild or union, and universities started as a scholastic guild – a self-constituted community of teachers and scholars.

The word *graduate* comes from the Latin word *gradus*, which means step. Admission to study a bachelor's degree was the first step taken towards completing a university education. The second step was to become a 'master'. Masters were Master of Arts graduates whose degrees licensed them to teach. The Chancellor, an officer of the cathedral, originally granted teaching licences.

## CEREMONIAL ROBES AND ACADEMIC DRESS

In the Middle Ages the corporate existence of universities was recognised and sanctioned by civil or ecclesiastical authority. The regalia worn by graduates and university staff today reflect this mix of medieval governance. Robes worn by the Chancellor resemble those worn by the Lord Chancellor of England. Graduates and academic staff wear gowns similar to the dress of medieval clergy. Hoods are also fashioned on an everyday medieval garment, although the coloured lining was a later addition to indicate the wearer's university and degree.

## God Defend New Zealand

*E Ihowā Atua,  
O ngā Iwi mātou rā  
Āta whakarongona;  
Me aroha noa*

*Kia hua ko te pai;  
Kia tau tō atawhai;  
Manaakitia mai  
Aotearoa*

*God of Nations at Thy feet  
In the bonds of love we meet  
Hear our voices we entreat  
God defend our free land*

*Guard Pacific's Triple Star  
From the shafts of strife and war  
Make her praises heard afar  
God defend New Zealand*

## Gaudeamus

*Gaudeamus igitur  
Juvenes dum sumus  
Gaudeamus igitur  
Juvenes dum sumus  
Post jucundam juventutem  
Post molestam senectutem  
Nos habebit humus  
Nos habebit humus*

while we are young  
After the pleasure of youth  
After the burden of old age  
The earth will have us  
The earth will have us*
